## CITI Course Enrollment Procedure

CITI provides courses in Human Subjects Protection, Good Clinical Practice, Health Information and Privacy, Lab Animal Welfare, and The Responsible Conduct of Research. Your organization likely has several requirements and perhaps some options to meet your instructional obligations.

- You will be provided a series of enrollment questions below.
- Your responses will determine the curriculum for the courses you are going to take.
- Please read the questions and responses carefully to make the best choice.

### Human Subjects Protection Course:

- If you have NOT completed a CITI course at this Institution previously, you may be required to complete the BASIC course at this time.
- If you have completed the CITI Basic course since 5-1-2004, the software is programmed to show you the CITI Re-fresher course now.
- You may be able to fulfill your refresher obligation with the CITI Good Clinical Practice Course. Please consult your IRB office.

For more detailed information review the instruction's page of your Institution. This page is available as a link at the top of this page

### Laboratory Animal Welfare Course

If you are planning to use lab animals in your work, you may be required to complete the CITI Lab Animal Welfare Course. You should:

- Choose the appropriate courses according to your role in research and the species you use.
- Choose all that apply.
- Contact your IACUC Office if you have questions regarding your requirements.

## CITI Curriculum Selection

You may enroll in multiple courses. You can take the courses sequentially or together. You should use multiple login sessions. The available courses in the CITI program are:

- The Human Subjects Courses
  - Good Clinical Practice (GCP)
  - Health Information Privacy and Security (HIP5)
- The Lab Animal Welfare Courses
- Responsible Conduct of Research Courses (RCR)

### Changing Your Course Selections Later
