

Statement of GCP Compliance

Date: January 30, 2024

This is to certify that Northwestern University's Institutional Review Boards maintain compliance with Good Clinical Practice Guidelines, insofar as those guidelines are consistent with the U.S. Food and Drug Administration regulations (21 CFR Parts 50 and 56) and the Department of Health and Human Services regulations (45 CFR 46) pertaining to the protection of human subjects in research. If a sponsor requires the additional requirements in the ICH-GCP (E6) guidance be followed, the trial will be reviewed following that guidance.
